Klinikum Augsburg

BUNTER KREIS BUNDESVERBAND

PATRIZIA Foundation
Building better futures.

A charity event by Bunter Kreis supporting

2000 families with seriously ill children.

We join forces

PATRIZIA Foundation
Building better futures.

Volunteers from PATRIZIA SE and Aon for families affected by calamities in the Augsburg region

What‘s happening?

- Open Day at the Augsburg Children's Hospital as well as the summer party and 30th anniversary of our cooperation partner, Bunter Kreis
- PATRIZIA and Aon volunteers donated some hours of their free time to support the cooperation project which contributed significantly to making the party such a great success

What‘s the purpose?

- Our sponsoring partner, Aon, is able to offer their employees a corporate volunteering event
- The proceeds from the festivities went directly to our cooperation partner to further improve and support their work for children and adolescents with cancer, chronic and serious illnesses, and their families

Our thoughts

The atmosphere today was just great and the good weather did the rest. It could not have worked out better!

- Susanne Drost (PATRIZIA)

"I think the event today is a great way to get involved and make a lot of kids happy with very little time commitment. Having this opportunity thanks to my employer Aon means a lot to me and is very important to me personally, as an employee of the company - I have been involved in volunteer work for the last 10 years!"

- Bettina Theilig (Aon)

"I really enjoyed today. There were so many people there and it was really great to see all of them come together - especially after Corona again - and help together to support the event for the Bunter Kreis."

- Doreen Streutgens (Aon)

"There are always people or projects that need help and I am able to do so right now - so of course I am happy to help out. Especially the fact that this is so well organized through my work is a plus, of course."

- Simon Birner (Aon)

"Until today, I didn't even know that some companies offer corporate volunteering. However, I enjoyed it a lot and I think this is so important that I would like to initiate it in my company soon."
