Our thoughts

On participating in a challenge to ensure the educational future for many hundred children in Augsburg & Warsaw

"235 participants – by the way, coincidentally the same number as last year – got on their bikes for our campaign. We were delighted with every single one. With the money raised, we can support children and young people who have to suffer from war in the heart of Europe."

- Eva-Maria Bergel

"Didn't have an extended weekend like Kuhn Jan to add more kilometers to my June cycling balance. But I managed to turn a commute to and from my nieces birthday party on Saturday into a nice ride for the benefit of #patriziaride2022 - Cycle for Ukraine!"

- Torsten Bergner

"When this war broke out, it was clear to me that #patriziaride 2022 must raise money to alleviate the suffering of the Ukrainian people. Especially the children need our support now."

- Jan Kuhn

"COVID-19 has delayed our journey, but we are not giving up Hope. Hope has arrived. Welcome to Canberra, PATRIZIA Foundation! I haven't cycled for more than 10 years and those hairpin turns are tough... still, we had so much fun participating in the #patriziaride"

- Tan Howie

Our achievement

Helping children and young people from Ukraine to regain their childhood

Refugees from Ukraine were confronted with

- 1) Homelessness, displacement, trauma
- 2) For children and young people, the annihilation of any opportunity to continue their education
- 3) Lack of structures and contact points for integration support in the refugees' destination countries

What we have achieved together

- 235 participants from 21 countries raised over 6800 €
- **Warsaw:** Shelters for no less than 130 children and young adults and 70 mothers
- **Augsburg:** Fast and uncomplicated support thanks to two local organisations
- **Europe:** emergency pedagogy and establishment of „safe spaces“
