

COLLECTION OF IDEAS FUNDRAISING

Get-Together

Donate instead of gifting and spend a nice evening with special people: Why not ask for donations instead of gifts for your birthday or a holiday? Organise an event together for a good cause, for example with a charity dinner, quiz night or a party.

Colourful Flea Market

Make space at home for global access to education! Clear out your home and donate the proceeds from a yard sale to our projects – whether it's a garage flea market or an online sale via sales platforms.

Classic Bake Sales

Organize a journey back in time to your school days and bake cakes or waffles with your colleagues, which you can distribute in return for a donation. Try it from a different perspective: Soups taste particularly good in winter, ice cream in summer.

Sports Event

Are you planning a soccer tournament, a yoga weekend, a group run, or a party? Consider donating the proceeds from the event to the PATRIZIA Foundation, for example through entrance fees or drink sales. Alternatively, you can seek a sponsor for your activities.
