

## Cycling for a good cause!

The "Cycle to Nepal" is a charity campaign initiated by PATRIZIA employees. Everyone can join in! Support the bike challenge and cycle as many kilometres as possible in June 2021! Our goal is to cycle the distance from Germany to Nepal and back once with all participants. Every kilometre counts! With your participation fee you support a school project of the PATRIZIA Foundation in Nepal to enable access to education even in times of crisis.

## The most important facts at a glance:

- All kilometres travelled count, no matter which route and by which bike (including e-bikes).
- Online registration starts in May and runs until the end of June.
- The participation fee of 10 € will benefit the Digital Classroom project in Dhoksan/Nepal (after deduction of transaction costs incurred).
- Optionally, each participant can increase their entry fee by a donation of 20 €, 30 € or more.
- Each participant tracks the kilometres driven themselves and can enter them individually per day or collected at the end of the month on the registration portal.

## How you can participate:

1. Register on the Race Result portal from May 3 until June 30, 2021 at the latest: <https://my.raceresult.com/169177/>
2. Print out your start number, which you will receive in the registration confirmation email.
3. Share your activity in your network! #patriziaride
4. Find any cycling routes in your area and track all the kilometres ridden in June.
5. Take photos of yourself with your starting number: before, during or after cycling.
6. Upload the photos on the Race Result portal (together with the kilometres, see point 7.) and post them on social media with the hashtag #patriziaride
7. Enter your mileage on Race Results, either individually each day or collectively at the end of the month.
8. At the end of the campaign you will receive an email with your individual certificate to print out.

## Activate your network:

The greater the reach, the more successful the charity project! That's why it's important that you share your participation in the "Cycle to Nepal" on your networks to motivate friends and acquaintances to join in. Please use the hashtag #patriziaride.

## Support for a school in Dhoksan:

With your participation you support a digitalization initiative of the PATRIZIA Foundation: In the PATRIZIA School Dhoksan, Nepal, a "Digital Classroom" is to be set up, in order to give back the access to education even in times of crisis and despite school closures. The school in the Nepalese mountain village is to become a beacon project of the digital classroom concept.

Jan Kuhn

Jaroslav Szal

The aim is to cycle together with all participants the distance from Augsburg to Dhoksan and back again.

## A volunteering activity by Jan Kuhn and Jaroslav Szal, employees of PATRIZIA AG:

The idea for the #patriziaride came from Jan Kuhn from the PATRIZIA office in Frankfurt. For him, cycling is the perfect balance to the office job. He gets on his bike in all weathers and can talk about his hobby for hours. The idea of organizing a cycling event came to him through the "Remote Run for Rwanda". Also, he wanted to get involved with the PATRIZIA Foundation, and quickly he found a likewise enthusiastic cyclist in Jaroslav Szal, a colleague from the Luxembourg location, who supports him in the organisation. Jaroslav also loves cycling above all else, whether it is on long distances through Scandinavia, by road bike along the Moselle or in winter on his indoor trainer. Jan and Jaroslav are happy to be able to support the school in Nepal with the volunteering action and at the same time get in touch with other cyclists.
