

Support our cycling challenge by clocking up as many kilometres as possible in the month of June! We would like to ride around entire continental Europe at least once with our co-cyclists: **81,155km for the EduCare Europe Fund of the PATRIZIA Foundation**. 100% of the funds raised will be used to provide urgently needed support to children and young people affected by the war in Ukraine.

Together with **stART International e.V.** and other partners, our goal is to create **Child-Friendly Spaces** across Europe to support traumatized children with trained emergency pedagogues and to enable them to return to everyday school life.

The entry fee of €10 (or €5 for children or students) and any other donations can be submitted via **RaceResult** or by going to our website.

**Our goal: €10,000
for the children of Ukraine**
