Our facilities provide children with a safe home and protection from exploitation.

HEALTH CREATES OPPORTUNITIES

We build hospitals and provide access to basic healthcare.

WHY DOES YOUR SUPPORT MAKE A DIFFERENCE?

Our Vision

A world where all children and young people have access to high-quality education, healthcare and a safe environment, empowering them to lead self-determined lives.
By 2030, we aim to reach one million children and young people worldwide.

Long-term impact

We think and act across generations. To ensure that our KinderHaus projects operate for at least 25 years, we build long-term partnerships with our local partners.
